The City of Gig Harbor Marketing Office is the lead organization in the community for tourism and visitor services. We are responsible for this website as well as all the advertising and public relations for promotion of the Gig Harbor and Peninsula community. We are funded through the City of Gig Harbor lodging tax collection. Our mission is to "Promote and expand tourism in the Gig Harbor/Key Peninsula area in order to enhance the local economy and to attract and serve the traveling public." We invite you to join us in Gig Harbor - we fully expect you will love this community as much as we do. Please contact me for further information or to set up a fam tour.
